## BRINGING TOGETHER KEY PLAYERS AND THOUGHT LEADERS

LESI's Annual Conference will focus on how innovation can lead to international impact and growth across all sectors. LESI 2026 will bring together key players and thought leaders to demonstrate how intellectual property acts as an international growth engine.

The meeting will be held in Dublin, Ireland, a fitting destination for the conference due to the country's combination of strategic policies for business, its stable economic environment and its ability to attract global talent. The country is a significant draw for multinationals and is a hub for tech giants and pharma companies. Ireland's focus on education and innovation has produced a highly skilled workforce, further attracting high-value industries as well as supporting the formation and growth of new rapid scaling enterprises..

Additionally, Ireland is the only English-speaking country in the European Union and is strategically located as a gateway to the EU. It has an extremely pro-business environment, supported by strategic government initiatives and a robust legal framework ensuring stability and growth for enterprises.

Please do take the opportunity to visit Dublin, Ireland's thriving capital city with its excellent connectivity and experience Ireland's world-renowned hospitality and rich cultural heritage.
